A RESOLUTION DECLARING THAT THE PUBLIC HEALTH, CONVENIENCE AND NECESSITY REQUIRE THE CREATION OF A SPECIAL SERVICE SOLID WASTE MANAGEMENT DISTRICT AND THE SERVICES TO BE PROVIDED THEREIN, PROVIDING FOR A HEARING ON THE CREATION OF SAID SPECIAL SERVICE SOLID WASTE MANAGEMENT DISTRICT, PROVIDING FOR NOTICE OF SAID HEARING AND RELATED MATTERS.

WHEREAS, the Board of County Commissioners of Grand County, Utah, believes that the public health, convenience and necessity require the construction, maintenance, and operation of a sanitary landfill facility in Grand County and therefore it is desirable to establish a Grand County Solid Waste Management Special Service District No. 1 (the "District") pursuant to the provisions of the Utah Special Service District Act, Title 17A, Chapter 2, Part 13, Utah Code (1992), and Article XIV, Section 8 of the Constitution of Utah; and

WHEREAS, all property included within the boundaries of the proposed District will be benefitted by the creation thereof; and

WHEREAS, none of the area to be contained within the boundaries of the proposed District is also within the boundaries of any other special service district or improvement district established by Grand County to construct, maintain and operate a sanitary landfill facility, operate a recycling program or otherwise manage solid waste; and

WHEREAS, the area to be contained within the boundaries of the proposed District includes the incorporated cities or towns of Moab and Castle Valley.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Grand County, Utah, as follows:

Section 1. The public health, convenience and necessity require the creation within Grand County, Utah, of the District pursuant to the provisions of the Utah Special Service District Act, Title 17A, Chapter 2, Part 13, Utah Code (1992), and Article XIV, Section 8 of the Constitution of Utah.

Section 2. The boundaries of the District to be so established shall be the boundaries of Grand County, less the incorporated area of the City of Green River, Utah.

Section 3. The District is to be created for the purpose of constructing, maintaining and operating a sanitary landfill facility for the disposal of solid waste generated by residents and businesses in Grand County, Utah, to operate a recycling program in Grand County, Utah, and otherwise manage solid waste, and to finance the construction, maintenance and operation of such facilities and programs through charges for solid waste disposal and the levy of taxes on property in Grand County, Utah.

Section 4. The District so created shall be known as "Grand County Solid Waste Management Special Service District No. 1."

Section 5. A public hearing on the question of the creation of the District shall be held by the Board of County Commissioners at Moab, Utah, at 7:00 P.M on January 18, 1993, at which time and place all interested parties may appear and be heard either in support of or in opposition to the creation of the District as more fully described in the Notice of Intention set forth in Section 7 hereof.

Section 6. A Notice of the Intention to create the District shall be published at least once a week during three consecutive weeks, the first publication to be not less than twenty-one (21) days nor more than thirty-five (35) days before the hearing, in the Times-Independent, a newspaper having general circulation in Grand County.

Section 7. The Notice of Intention to be published shall be in substantially the following form:

NOTICE OF INTENTION TO ESTABLISH  
GRAND COUNTY SOLID WASTE MANAGEMENT  
SPECIAL SERVICE DISTRICT NO. 1

NOTICE IS HEREBY GIVEN that on the 21st day of December, 1992, the Board of County Commissioners of Grand

County, Utah, adopted a Resolution declaring that the public health, convenience and necessity require the establishment of a Special Service District, to be called "Grand County Solid Waste Management Special Service District No. 1" (the "District") for the purpose of constructing, maintaining and operating a sanitary landfill facility for Grand County, operating a recycling program and otherwise managing solid waste, and providing for the financing of such facilities and programs. The Resolution also provides for a public hearing on the establishment of the District in the County to be held at The Community Center, ~~7:00 p.m.~~, in the Commission meeting room, in Moab, Utah, at 7:00 p. m. on January 18, 1993.

#### DESCRIPTION OF THE PROPOSED DISTRICT

The District shall have the same boundaries as Grand County, except for the incorporated area of the City of Green River, Utah.

#### PROPOSED SERVICES

The District will be authorized to construct, maintain and operate a sanitary landfill facility in Grand County, Utah, to operate a recycling program in Grand County, Utah, and to otherwise manage solid waste in Grand County, Utah.

### METHOD OF FINANCING

Pursuant to the provisions of the Utah Special Service District Act and Article XIV, Section 8 of the Constitution of Utah, the District may impose fees and charges to pay for all or a part of the services to be provided by the District. It may also annually levy taxes upon all taxable property within the District to provide the proposed services, and may issue bonds for the acquisition and/or construction of facilities or systems to provide said services, provided, however, that said levy to provide said services or to repay said bonds, must be authorized and approved by a majority of the qualified electors of the District at an election for that purpose.

### PUBLIC HEARING ON PROPOSED ESTABLISHMENT OF SPECIAL SERVICE DISTRICT

The Board of County Commissioners will hold a public hearing on the establishment of the District at the Community Center, Moab, Utah, at 7:00 p.m. on January 18, 1993. Any interested person may protest the establishment of the District or the furnishing of services therein either orally at the hearing or in writing, at or at any time prior to the hearing. Written protests must be filed with the County Clerk, and may be withdrawn by the protestant at any time before the County establishes or abandons the District.

Any protest signed on behalf of a corporation owning property in the District shall be sufficient if it is signed by the president, vice president, or any duly authorized agent of the corporation. Where title to any property is held in the name of more than one person, all of the persons holding title to the property must join in the signing of the protest.

At said public hearing, the Board of County Commissioners will give full consideration to all protests which shall have been filed and will hear and consider all interested persons desiring to be heard. The Board of County Commissioners may continue the hearing from time to time. After conclusion of the hearing, the Board of County Commissioners shall adopt a resolution either establishing the Grand County Solid Waste Management Special Service District No. 1 or determining that the establishment of the District should be abandoned, or may, in its discretion, reduce the boundaries of the District and establish the District by resolution, as modified.

If, within fifteen (15) days after the conclusion of the hearing, over fifty percent (50%) of the qualified voters of the territory proposed to be included within the District or the owners of over 50% of the taxable value of the taxable property included within the proposed District file written protest against the establishment of the proposed District or against the

establishment of the proposed District or against the specified type of service to be provided within the District with the County Clerk, the Board is required by law, in the former instance, to abandon the proposed establishment of the District and, in the latter instance, to eliminate the type of service objected to from the resolution finally establishing the District.

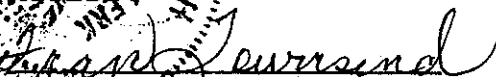

Any person who shall, at or any time prior to the date and time above-specified for the hearing, file a written protest with the County Clerk against the establishment of the District and whose property has been included within the boundaries of the proposed District notwithstanding such protest, may, within thirty (30) days after the adoption of the resolution establishing the District, apply to the District Court of the Seventh Judicial District for a writ of review of the actions of the County in establishing the District, only upon the grounds, however, that his property will not be benefitted by the services authorized to be furnished by the District or that the proceedings taken in the establishment of the District have not been in compliance with law.

A FAILURE TO APPLY FOR SUCH WRIT OF REVIEW WITHIN THE PRESCRIBED TIME SHALL FORECLOSE ALL OWNERS OF PROPERTY WITHIN THE DISTRICT SO ESTABLISHED FROM THE RIGHT TO FURTHER OBJECT THERETO.

GIVEN by order of the Board of County Commissioners of  
Grand County, this 21st day of December, 1992.

  
Manuel Torres, Chairman

  
Fran Townsend, Clerk

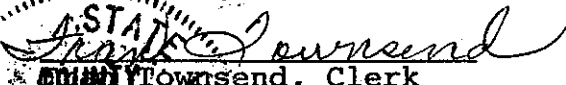

To be published in the Times-Independent on December 24,  
1992, December 31, 1992, and January 7, 1993.

Section 8. The officers of Grand County, Utah, are hereby authorized and directed to take all action necessary or appropriate to effectuate the provisions of this resolution.

Section 9. If any one or more sections, sentences, clauses or parts of this resolution shall, for any reason, be questioned or held invalid, such judgment shall not affect, impair or invalidate the remaining provisions of this resolution, but shall be confined in its operation to the specific sections, sentences, clauses or parts of this resolution so held unconstitutional and invalid, and the inapplicability and invalidity of any section, sentence, clause or part of this resolution in any one or more instances shall not affect or prejudice in any way the applicability and validity of this resolution in any other instances.

Section 10. All resolutions, by-laws and regulations of Grand County, Utah, in conflict with this resolution, are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any resolution, by-law or regulation, or part thereof, heretofore repealed.
