COMMUNITY RECYCLE CENTER SPONSORSHIP REGISTRATION FORM

Thank you for your interest in the Community Recycle Center (CRC) Sponsorship Program. The CRC Sponsorship Program is a new program intended to provide supplemental revenue to the CRC, to offset its operational costs, and to ensure that the CRC remains financially viable. Very few public recycling drop-off sites remain in our region and the CRC is considered to be a major asset to our community. However, current recycling markets do not provide enough financial returns to cover the cost of the CRC operation, and the CRC has been operating at a net loss for many years. Sponsorships funds will be used to directly support the CRC operations while promoting the growth of the recycling industry in southeastern Utah, expanding local recycling opportunities, and supporting environmental protection at local, regional, and global levels. Under the CRC Sponsorship Program, residents, businesses, and other entities can showcase their financial support for the CRC under a variety of tiered sponsorship plans. Please review the CRC Sponsorship Program Frequently Asked Questions section on our website or call us at (435) 259-3867 for more information.
