

JOB VACANCY

Recycling Specialist

➤ Position Summary

The Recycling Specialist is responsible for staffing the Community Recycling Center. Essential tasks include assisting customers with recycling drop-offs, providing accurate information regarding accepted materials, and collecting appropriate fees for universal wastes disposal (batteries, e-waste, etc).

This position requires the ability to work independently and outdoors in all weather conditions while providing excellent customer service and keeping the Center clean and organize.

➤ Knowledge, Skills and Abilities

- Basic understanding of recycling principles and materials
- Strong customer service and interpersonal communication skills
- Ability to operate (or learn to operate) heavy equipment such as a 904 loader, forklift, and baler
- Accurate cash handling and record-keeping
- Work independently and follow written and verbal instructions

Compensation

- Starting wage \$22/hour, DOE
- Great benefits!
- 10% Employer Contribution to Utah Retirement System
- Paid holidays, vacation & sick leave
